Primary Care Physician Market

An Opportunity To Introduce Patient Centric Home Health Solutions

Through One of Arizona's Most Established and Trusted Providers

15 million

There are currently **15 million patients** receiving home care and assistance in the US, with more **than 600 million** patient visits yearly.

The need for medical and non-medical home care is rising. As a primary care physician, you strive to refer your patients to an organization led by **safe, caring, compassionate, and protective hands** where the patient's experience is of utmost importance.

At MD Home Health and MD Home Assist, we offer you the opportunity to partner with a reliable, professional, state-licensed, Medicare-certified home health agency that has been providing care to the community for over 35 years. We enhance the patient experience by offering a non-medical sister company MD Home Assist. MD Home Assist provides quality caregivers to provide both housekeeping and personal care on a short-term or long-term basis.

We Provide Each of Your Patients with Our Utmost Care and Attention Including the Following Services:

- ✔ Skilled Nursing
- ✔ Physical Therapy
- ✔ Occupational Therapy
- ✔ Home Health Aide
- ✔ Medical Social Worker
- ✔ Speech Therapy

Since 1985, we've offered our clients and their patients a flexible, ever-expanding range of services and tailor-made home health solutions **curated to their needs** and unique lifestyles. Since inception, we have successfully served over 100,000 patients with over 200 nurses, therapists, social workers, and caregivers.

Why We Are the Provider of Choice in Arizona

- ✔ 99.3% timely admission of care versus the national average of 97.8%.
- ✔ 60-day rehospitalization rate of 9% versus the national average / CMS of 14.2%.
- ✔ 24/7 availability of a consultive registered nurse.
- ✔ Zero deficiencies with State and Medicare audits.
- ✔ Chronic Disease Management Program experts.
- ✔ Servicing the greater Phoenix area, including outlying areas such as Buckeye, Queen Creek, Anthem, Fountain Hills, Laveen, and Sun Lakes.
- ✔ We are proud to accept Medicare, Medicare Advantage, and AHCCCS insurance plans.

Testimonials

Redefining The Quality and Safety Standards Since Day One.

As primary care physicians, we understand that **it's your mission** to find the right options for your patients and that **they trust you** to be on the lookout for their best interests.

For that reason, we hold each professional on our team responsible for carrying that same weight and **living up to your and patients' expectations** when referring them to our medical and non-medical home health services.

Offer Your Patients More Value and Grant Them Professional Service They Truly Deserve.

Becoming an MD Home Health partner will grant your patients **access to over 35 years of experience**, 200 nurses and caregivers, and **a flexible process** that grows with them as their needs change and evolve.

This reflects your reputation and allows you always to make the right decisions and have grateful patients **thanks to our experienced professionals** and patient-centric home health services.

What Our Patients Are Saying About MD Home Health

"The physical therapist was wonderful with our mom. He was very patient and had her up and walking. We loved him for mom. No other physical therapist had her up and walking like he did." ~ Peggy

"My home health nurse is so good. I have told several likely people about the agency and just recently referred another, which will be needing the services." ~ Jane

"I want to praise my R.N. and my occupational therapist because they are very smart and competent in their professions –the BEST! They are kind, patient, and respectful. They are wonderful people, and I hope that they can care for me again in the future." ~ Marko

"Excellent nurses and therapists. They are very knowledgeable, friendly, and professional. Great communication and made me feel better by explaining everything in great detail." ~ Tamara
